

California Diamond Products

SALES ♦ SERVICE ♦ PARTS ♦ REPAIRS

LET OUR SERVICE, TECHNOLOGY & EXPERIENCE BE THE KEY TO YOUR ECONOMY

California Diamond Products was established in 1982 to provide specialty equipment and industrial diamond tools to the concrete sawing and drilling industry. Over the years, we have grown to service several specialty areas including masonry, roofing, lawn & garden, and general contractors. In addition, we offer a full service repair facility for small engines, tools, and equipment.
